

# 1992 - 2019

Communities In Schools of Delaware provides direct services to students and families affected by poverty and trauma in all three counties of the state. We need your commitment to ensure that 15,000 vulnerable children receive the additional support needed to close the equity, opportunity and achievement gaps found in Delaware's educational system.

**"YES for CIS"**

**"Could someone help me with these?  
I'm late for math class."**

**Stressed?**
